Conference 2025: Sponsorship Info

October 27-29, 2025 | Sheraton Downtown | Philadelphia, PA

What is ASMC? ASMC (Apple Solutions Marketing Corporation) was created by members of what was then the Apple Specialist program to help each other succeed in the Apple ecosystem. As Apple program changes came along we opened up membership to anyone Authorized by Apple. Our goal is to help all members excel through Conferences, Catalogs, exclusive discounts, Financing discounts, Member to member interactions, vendor relations and so much more. As the largest trade organization in the Apple Channel, our mission is to enhance the success and profitability of our members through positive actions and cooperative efforts.

Who are the members? ASMC membership is open to any legitimate company that has an Apple Authorization. Our members include Apple Premier Partners, Value Added Resellers, Authorized Resellers, Authorized Service Providers, and now also Apple Consultant Network members. Key decision makers (owners, principals, and managers) from our members are the core of our Conference attendees.

Why should my company attend? This is a great opportunity to meet our members if you are new, or reconnect and re-energize your products/services back to the front of mind with our members in-person.

The Conference is a great multi-day event with vendor fair Tuesday evening with plenty of sponsorship opportunities and more importantly, direct in-person interaction with our members during the conference. It's ASMC's premier event of the year and a great chance to interact, sell and promote.

ASMC averages about 75 members in attendance and expects at least that in 2025.

Vendor meals are now *included* with your sponsorship.
